

BHJ requires a haematology consultant doctor for January 19.

Description:

The hospital located in Dublin has been in operation since 1986. Over 200 specialists bring their patients to our hospital for treatment and care.

As well as being Ireland's leading private cancer centre and it's only 24/7 cardiac care centre, the hospital opened a new [Emergency Department](#) in 2015 offering a walk-in service for immediate access to expert care when an injury or illness arises.

Benefits:

- Initial contract of 1 year.
- Approximate net monthly salary of **7000-8000€ net/month** after tax and pension deductions for Consultant positions. Could have the possibility to earn more money through private patients attending the hospital. Typical long term Consultants in Ireland are earning in excess of 10.000€ net/month (approximately 200.000€ gross/year).
- 31 working days per Year holidays for Consultants+ public holidays (there is 9 in a year).
- 7 study days leave per year to attend conferences or further education for Consultants.
- Up to 3000€ for educational funding for Consultants.
- Lucrative pension scheme included.

Requirements and Qualifications:

1. Should be a Specialist in haematology inside the European Union. Will need to get registered with the Irish Medical Council on the Specialist Registrar but we can help you with that if not yet registered. Please take into account that the process can take up to 3 months in total.
2. Have a very good command of written and spoken English.
3. Should have experience in Laboratory Haematology as well as in Clinical haematology.

4. Good motivation to go to Ireland to work as a doctor as from January 2019

Application:

All candidates who are interested should send a **detailed CV in English** to the following e-mail address: **viviana@bolognahealthjobs.com**. Extra and more precise information on the job places will be given once we receive the CVs.
